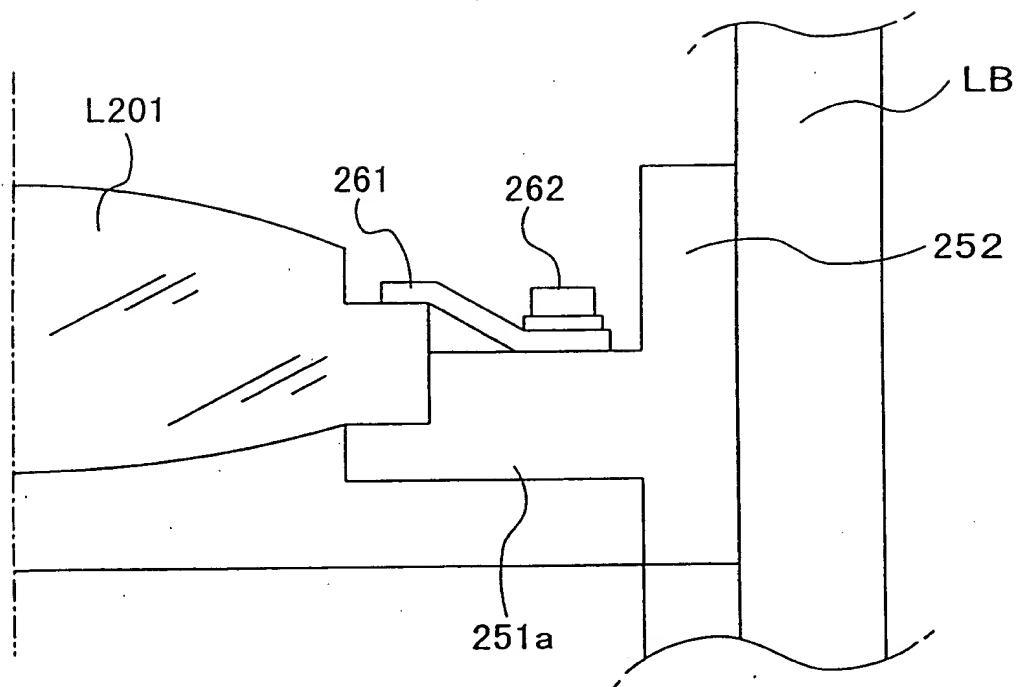

FIG. 1 is a perspective view of a device 11, 111. The device features a central grid-like structure 287, which appears to be a mesh or a series of interconnected elements. An optical axis is indicated by a dashed line passing through the center of the grid. Various components are labeled with reference numerals: 280, 281, 282, 283, 284, 285, 286, 288, 289, 290, 291, 292, 293, 294, and 295. The device is shown in a perspective view, highlighting its three-dimensional structure.
